

Planet Sensitive in the Household and Garden

KITCHEN

- **Kitchen Sponge and Cutting Boards:** Effectively eliminate odors and germs.
- **Biofilms and Lingering Odors:** Ideal for coffee machines (descaling, rinsing, disinfecting, rinsing) and trash cans.

HOUSEHOLD AND BEDROOM

- **Infection Disease Prevention:** Protect yourself from Covid-19.
- **Odor and Bacteria Control:** Simply add it to your cleaning water (do not combine with acids like vinegar or citric acid).
- **Reduce Allergenic Proteins:** Helps prevent allergic reactions from pet allergies.

BATHROOM

- **Sanitary Cleanliness:** Perfect for the toilet, toilet seat, and toilet brush.
- **Effective Odor Control:** Eliminate unpleasant odors from drains, cat urine, or vomit.
- **Bathroom Hygiene:** Suitable for feminine hygiene and skin disinfection.

GARDEN AND ON THE GO

- **Plant Protection:** Intermediate disinfection for pruning shears and plant pots prevents the transmission of plant diseases.
- **Animal Pen Hygiene:** Suitable for rabbits, quails, hamsters, and more.
- **Stay Hygienic on the Go:** Also suitable for baby changing mats and public restrooms.

Use biocidal products with caution. Always read the label and product information before use.
